

## **Year 10 Assessment & Homework Overview**

This booklet sets out the assessment and homework schedule for each of the subjects taught in Year 10. It gives an overview of each half-term and the type of assessment and homework that could be set. The schedule is regularly reviewed and subject to change. In each subject area, students are formally assessed a minimum of three times over the school year, after which they will undertake a formal review and feedback process in each subject area. As well as the formal assessments, students will be provided with regular feedback in lessons, known as live marking, as well as undertaking peer and self-assessment tasks.

GCSE Art students in Years 9 and 10 will have five lessons of Art per fortnight. Students will be given weekly homework, which will include a range of activities such as practical tasks, artist research, analysing an art piece, presenting work into their sketchbooks, evaluating the work they have created. All work created from September Year 9 to January Year 10 contributes towards coursework. In January of Year 10, students will begin the same tasks and homework with their examination unit.

Year 10 Dance have homework set every week and will have a quiz week and a written week.

Year 10 Design Technology - Online Examination revision – weekly.

GCSE Drama students in Years 9 and 10 will have five lessons of Drama per fortnight. Students will be given weekly Drama homework, which will include a range of activities such as practical rehearsal, learning lines, research, writing scripts, analysing and evaluating the work they have created and performed in their lesson, completing coursework, and attempting practise examination questions.

GCSE English, students will have a GCSE revision homework task one per fortnight. The focus will be on EduLink and students will have a menu of options to choose from. The other homework will be knowledge organiser based and students will have quizzes in lessons to assess their learning.

Year 10 students will be undertaking the L1/L2 Hospitality and Catering Vocational Award. They will have five lessons per fortnight. Students will have one homework per week. On non-cooking weeks, their homework will be comprised of a research task which will link to the topic being covered. In addition to this, students will be expected to bring in a container and the ingredients for their cooking day the following week. On practical cooking weeks, students will be expected to complete a full evaluation of the food they produced as well as their performance within the lesson. They will additionally be given a revision task (which will correspond to a knowledge organiser). They will then be tested (through a quiz in the following week's lesson).

Geography at KS4: students supplement their learning through independent research at home, online Google assessments, essay writing and revision. Homework should be set approximately every 4-6 lessons, rotating between key terms/vocabulary tasks and examination question practice.

At GCSE, Year 10 students have four lessons of History a fortnight. They are set homework in two of these lessons (once per week). One week, homework set will be using a knowledge organiser to learn key facts. This is assessed at the start of each lesson through a quiz and is peer assessed. On the alternate week, homework set will be in a variety of different forms including research tasks and examination questions.

BTEC students have five lessons of Creative Media Production/Digital Information Technology over a two-week timetable. They are set homework once every two weeks. Homework is set using a variety of different forms including creating a knowledge organiser of the keywords /topics, research tasks and exam questions. This is peer- or teacher-assessed.

GCSE students have five lessons of Computer Science over a two-week timetable. They are set homework once every two weeks. Homework is set using a variety of different forms including creating a knowledge organiser of the keywords /topics, research tasks and examination questions. This is peer- or teacher-assessed.

For KS4 Maths homework is set through Sparx, this links to our scheme of work and sets differentiated homework to each student once a week for between 30 minutes and one hour. The homework consists of 60% of the work students are currently completing and 40% on work students have completed previously that year/during their course. This is based on their previous homeworks and topics they may have struggled with. Each week, following completion of the homework, staff use up to five insights provided by Sparx to feedback on homework and support with topics the class struggled with.

GCSE Media Studies students have five lessons of Media a fortnight. All students are set homework once per week. One week, homework set will be using a knowledge organiser to learn key facts. This is assessed at the start of each lesson through a quiz and is peer assessed. On the alternate week, homework is to learn key terminology using a terminology booklet. This is also peer assessed following a quiz in class.

GCSE French students are taught five lessons per fortnight. They are set one 45-minute homework per week. This may be made up of more than one task, and could include vocabulary learning, written task, or research.

GCSE Spanish students are taught five lessons per fortnight. They are set one 45-minute homework per week. This may be made up of more than one task, and could include vocabulary learning, written task, or research.

Music students have five lessons per fortnight. Students will be given weekly music homework for KS4. This will include a range of activities, such as practical rehearsal, composition, focus on sound learning/quizzes, area of study (AoS) based homework and knowledge organisers.

Philosophy, Religion and Ethics: At GCSE, students have five lessons of PRE a fortnight. They are set homework in two of these lessons (once per week). One week, homework set will be using a knowledge organiser to learn key facts. This is assessed at the start of each lesson through a quiz and is peer assessed. On the alternate week, homework set will be in a variety of different forms including research tasks and examination questions.

GCSE PE: One piece of homework will be set every two weeks. This may vary from coursework, practice examination questions, or a task/activity linked to the lesson content.

OCR Sport: Homework will be mainly coursework based. Students will be issued with weekly tasks to complete. The coursework topics will coincide with the deadlines set.

GCSE Photography students in Years 9 and 10 will have five lessons of photography per fortnight. Students will be given weekly homework, which will include a range of activities such as practical tasks, artist research, analysing an art piece, presenting work into their sketchbooks, evaluating the work they have created. All work created from September Year 9 to January Year 10 contributes towards coursework. In January of Year 10, students will begin the same tasks and homework with their examination unit.

At GCSE, Psychology students' have five lessons a fortnight in keeping with our whole-school policies; homework is allocated at a rate of once per week. The first week's theme centres upon knowledge organisation and the use of specialised psychological terminology. This process accommodates students' understanding of those 'Factual' AO1 assessment requirements of the future examination. On the alternate week, homework seeks to further address those 'Analysis & Evaluative' AO2 assessment requirements, which invariably include a long question (9 marks) with a research answer. Over time both approaches serve well to reinforce the value and importance we place upon 'examination focus' and the use of relevant terminology.

GCSE Science: In Year 9, students have eight lessons of science per fortnight, split between three teachers: one for Biology, one for Chemistry and one for Physics. Homework will be set in accordance with the scheme of work for Science, when students have been taught key concepts within each topic they study – this will average out to one homework a week over the course of a term. Students will be asked to make a revision resource for that concept for their homework. They will be given a list of different types of resource that they could produce, along with the benefits and drawbacks of each, and what sort of learning style they benefit. These resources can then be used to revise for assessments and can be used in Year 11, when revising for the summer examinations. The resources will be checked by the class teacher in lesson and stored in the student's assessment folder.

Social Sciences – Business Enterprise: At Level 1/2, students have five lessons of Enterprise a fortnight. They are set homework in two of these lessons (once per week). These will either comprise of formative assessments recapping key knowledge via MSTeams Forms functionality, or preparation for the Pearson Set Assignment. The latter would be completed with supporting scaffolding (for example Cornell notes) and include tasks such as research or preparing/recording presentations.

## Autumn Half-Term 1

Subject	Assessment	Homework
<b>Art</b>	Baseline tonal drawing relevant to project	Practical tasks Artist research Analysing an art piece Presenting work into their sketchbooks Evaluating the work they have created First hand photographs
<b>Dance</b>	<b>Baseline Assessment 1 w/c 19<sup>th</sup> September (Set Phrase and Group)</b>	Knowledge organiser quiz  Long answer questions: worth 6 marks and a full 12 marks, respectively.
<b>Design Technology</b>	<b>Year 10 – GCSE Product Design</b> NEA section A, B & C 'Live' coursework assessment against specification mark scheme.	<b>Examination revision</b> Seneca learning – examination revision  <b>Examination revision</b> Seneca learning and exam-pro revision exercises.
<b>Drama</b>	Baseline Written Paper (Component 3)	Spellings, Research, Additional Rehearsal, Character Development, Evaluation, Competition of Coursework, Practise Examination Questions
<b>English</b>	Power and Conflict Assessment	GCSE revision homework task one per fortnight. The focus will be on EduLink and students will have a menu of options to choose from. The other homework will be knowledge organiser based and students will have quizzes in lessons to assess their learning.
<b>Food Studies</b>	Year 10 Nutrition Baseline Assessment	Students will have one homework per week. On non-cooking weeks, their homework will be comprised of examination questions. In addition to this, students will be expected to bring in a container and the ingredients for their cooking the following week. On practical cooking weeks, students will be expected to complete a full evaluation of the food they produced as well as their performance within the lesson. They will additionally be given a revision task (which will correspond to the knowledge organiser). They will then be tested (through a quiz in the following week's lesson).

<b>Geography</b>	Baseline assessment Ecosystems homework 1	Key terms and/or Google quiz Examination question.
<b>History</b>	<b>Year 10 Baseline</b> Mock examination paper Crime & Punishment including Whitechapel.	One week, homework set will be using a knowledge organiser to learn key facts. This is assessed at the start of each lesson through a quiz and is peer assessed. On the alternate week, homework set will be in a variety of different forms including research tasks and exam questions.
<b>IT – Computer Science</b>	Year 10 – end of topic assessment – Network Topologies – Wired/wireless networks	They are set homework once every two weeks. Homework is set using a variety of different forms including creating a knowledge organiser of the keywords /topics, research tasks and examination questions and is peer- or teacher-assessed.
<b>IT – Creative Digital Media Production</b>		They are set homework once every two weeks. Homework is set using a variety of different forms including creating a knowledge organiser of the keywords /topics, research tasks and examination questions and is peer- or teacher-assessed.
<b>It – Digital ICT</b>	Year 10 – Component 2 <b>Formal Coursework Assessment</b> LA A	They are set homework once every two weeks. Homework is set using a variety of different forms including creating a knowledge organiser of the keywords /topics, research tasks and exam questions and is peer- or teacher-assessed.
<b>Maths</b>	Y9 Baseline w/c 05/09/2022	Homework is set through Sparx, this links to our scheme of work and sets differentiated homework to each student once a week for between 30 minutes and one hour.
<b>Media Studies</b>	<b>AP1</b> Baseline Assessment completed by 30 <sup>th</sup> September	All students are set homework once per week. One week, homework set will be using a knowledge organiser to learn key facts. This is assessed at the start of each lesson through a quiz and is peer assessed. On the alternate week, homework is to learn key terminology using a terminology booklet. This is also peer assessed following a quiz in class.
<b>MFL (French)</b>	Describing a town	Pronunciation practice, vocabulary learning, reading task, translation, watch video clip, research, reference page, puzzle, writing task or oral examination preparation, for example.
<b>MFL (Spanish)</b>	Sport and leisure	Pronunciation practice, vocabulary learning, reading task, translation, watch video clip, research, reference page, puzzle, writing task or oral examination preparation, for example.
<b>Music</b>	Year 10 OCR: AoS5/4/2 Assessment	Rehearsal, Focus on Sound, Composition, AoS based learning/ Internal Assessment

	<b>Year 10 RSL:</b> Unit 201ta Musical Knowledge	
<b>Philosophy, Religion and Ethics</b>	Year 10 Baseline – Cumulative assessment on themes B and D.	They are set homework in two of these lessons (once per week). One week, homework set will be using a knowledge organiser to learn key facts. This is assessed at the start of each lesson through a quiz and is peer assessed. On the alternate week, homework set will be in a variety of different forms including research tasks and examination questions.
<b>PE/Sport</b>	<b>GCSE</b> Baseline test x 2 (paper 1 & 2)  <b>Applied Anatomy &amp; Physiology</b> - Mid-point topic test  <b>OCR</b> Baseline paper  RO53: LO2 and LO3 deadline	<b>GCSE PE:</b> One piece of homework will be set every two weeks. This may vary from coursework, practice examination questions or a task/activity linked to the lesson content.  <b>OCR Sport:</b> Homework will be mainly coursework-based. Students will be issued with weekly tasks to complete. The coursework topics will coincide with the deadlines set.
<b>Photography</b>	Baseline practical task and artist analysis	Practical tasks Artist research Analysing an art piece Presenting work into their sketchbooks Evaluating the work they have created First hand photographs
<b>Psychology</b>	Baseline Test <b>Cumulative assessment</b> <u>Paper 1 Topics</u>	The first week theme centres upon knowledge organisation and the use of specialised psychological terminology. On the alternate week, homework seeks to further address those 'Analysis & Evaluative' A02 assessment requirements.
<b>Science</b>		Health Matters II, Energy Changes, Atomic Structure.
<b>Social Science – Business Enterprise</b>	Year 10 Baseline – Component 3 examined unit	They are set homework in two of these lessons (once per week). These will either comprise of formative assessments recapping key knowledge via MSTeams Forms functionality, or preparation for the Pearson Set Assignment. The latter would be completed with supporting scaffolding (for example Cornell notes) and include tasks such as research or preparing/recording presentations.

Autumn Half-Term2

Subject	Assessment	Homework
<b>Art</b>	Final Coursework marking against all assessment objectives	Practical tasks Artist research Analysing an art piece Presenting work into their sketchbooks Evaluating the work they have created First hand photographs <b>Complete coursework component</b> <b>For handing in January</b>
<b>Dance</b>	<b>Assessment 2</b> <b>Year 10 Mocks w/c 28<sup>th</sup></b> <b>November</b> <b>(Mock paper and</b> <b>Choreography)</b>	Knowledge organiser quiz  Choreography questions  Choreography research tasks
<b>Design Technology</b>	<b>Year 10 – GCSE Product Design</b> NEA section D ‘Live’ coursework assessment against specification mark scheme.  <b>Year 10 – GCSE Product Design</b> NEA section E ‘Live’ coursework assessment against specification mark scheme.	<b>Examination Revision</b> Seneca learning – revision task.  <b>Examination Revision</b> Exam pro test revision

<b>Drama</b>	1. Component 1 2. Component 3 Mock Examination	Spellings, Research, Additional Rehearsal, Character Development, Evaluation, Competition of Coursework, Practise Examination Questions
<b>English</b>	Mocks - Paper 1 and 2 w/c 28 <sup>th</sup> November	GCSE revision homework task one per fortnight. The focus will be set on EduLink and students will have a menu of options to choose from. The other homework will be knowledge organiser based and students will have quizzes in lessons to assess their learning.
<b>Food Studies</b>	Year 10 Mocks- NEA1 AO1-AO4 and Practical Assessment	Students will have one homework per week. On non-cooking weeks, their homework will be comprised of examination questions. In addition to this, students will be expected to bring in a container and the ingredients for their cooking the following week. On practical cooking weeks, students will be expected to complete a full evaluation of the food they produced as well as their performance within the lesson. They will additionally be given a revision task (which will correspond to the knowledge organiser). They will then be tested (through a quiz in the following week's lesson).
<b>Geography</b>	Ecosystems homework 2 Ecosystems homework 2	Key terms and/or Google quiz. Examination question.
<b>History</b>	<b>Year 10 Elizabeth</b> questions - Describe two features of/explain.  <b>*AP1</b> <b>Year 10 Option-</b> Mock Examination – Elizabeth <b>w/c 28<sup>th</sup> November</b>	One week, homework set will be using a knowledge organiser to learn key facts. This is assessed at the start of each lesson through a quiz and is peer assessed. On the alternate week, homework set will be in a variety of different forms including research tasks and examination questions.
<b>IT – Computer Science</b>	Year 10 Mocks - Paper 1 and 2 28 <sup>th</sup> November	They are set homework once every two weeks. Homework is set using a variety of different forms including creating a knowledge organiser of the keywords /topics, research tasks and examination questions and is peer- or teacher-assessed.
<b>IT – Creative Digital Media Production</b>	Year 10 – Component 2 <b>Formal Coursework Assessment LA A</b>	They are set homework once every two weeks. Homework is set using a variety of different forms including creating a knowledge organiser of the keywords /topics, research tasks and examination questions and is peer- or teacher-assessed.
<b>It – Digital ICT</b>		They are set homework once every two weeks. Homework is set using a variety of different forms including creating a knowledge organiser of the keywords /topics, research tasks and examination questions and is peer- or teacher-assessed.

<b>Maths</b>	Year 10 EoT1 Assessment w/c 28/11/2022	Homework is set through Sparx, this links to our scheme of work and sets differentiated homework to each student once a week for between 30 minutes and one hour.
<b>Media Studies</b>	<b>AP2</b> Year 10 Mocks P1 and P2	All students are set homework once per week. One week, homework set will be using a knowledge organiser to learn key facts. This is assessed at the start of each lesson through a quiz and is peer-assessed. On the alternate week, homework is to learn key terminology using a terminology booklet and is also peer-assessed, following a quiz in class.
<b>MFL (French)</b>	Tourist information	Pronunciation practice, vocabulary learning, reading task, translation, watch video clip, research, reference page, puzzle, writing task, oral examination preparation.
<b>MFL (Spanish)</b>	Going out	Pronunciation practice, vocabulary learning, reading task, translation, watch video clip, research, reference page, puzzle, writing task, oral examination preparation.
<b>Music</b>	<b>GCSE</b> <i>Applied Anatomy &amp; Physiology</i> -End of topic test  <b>OCR</b> RO51: Examination content	Rehearsal, Focus on Sound, Composition, AoS based learning/ Internal Assessment.
<b>Philosophy, Religion and Ethics</b>	Year 10 Mocks - Paper 1 and 2 28 <sup>th</sup> November	They are set homework in two of these lessons (once per week). One week, homework will be set using a knowledge organiser to learn key facts. This is assessed at the start of each lesson through a quiz and is peer assessed. On the alternate week, homework set will be in a variety of different forms including research tasks and examination questions.
<b>PE/Sport</b>	<b>GCSE</b> <i>Health, Fitness &amp; Well-being</i> -Mid-point topic test -End of topic test  <b>OCR</b> R185: TA3 and TA4 deadline	<b>GCSE PE:</b> One piece of homework will be set every two weeks. This may vary from coursework, practice examination questions or a task/activity linked to the lesson content.  <b>OCR Sport:</b> Homework will be mainly coursework based. Students will be issued with weekly tasks to complete. The coursework topics will coincide with the deadlines set.

<b>Photography</b>	Final Coursework marking against all assessment objectives	Practical tasks Artist research Analysing an art piece Presenting work into their sketchbooks Evaluating the work they have created First hand photographs <b>Complete coursework component For handing in January</b>
<b>Psychology</b>	Year 10 Mocks Paper 1 & <b><i>Social Influence, LTC</i></b> <i>topics from</i> <u>Paper 2</u> November	The first week's theme centres upon knowledge organisation and the use of specialised psychological terminology. On the alternate week, homework seeks to further address those 'Analysis & Evaluative' A02 assessment requirements.
<b>Science</b>	Cumulative Assessment 1	Homeostasis, Chemical Changes II, Radioactivity
<b>Social Science – Business Enterprise</b>	Year 10 Mocks - Component 3 w/b 28 <sup>th</sup> November	They are set homework in two of these lessons (once per week). These will either comprise of formative assessments recapping key knowledge via MSTeams Forms functionality, or preparation for the Pearson Set Assignment. The latter would be completed with supporting scaffolding (for example Cornell notes) and include tasks such as research or preparing/recording presentations.
