

Year 12 Assessment & Homework Overview

This booklet sets out the assessment and homework schedule for each of the subjects taught in Year 12.

It gives an overview of each half-term and the type of assessment and homework that could be set. The schedule is regularly reviewed and is subject to change. In each subject area, students are formally assessed a minimum of three times over the school year after which they will undertake a formal review and feedback process in each subject area. As well as the formal assessments, students will be provided with regular feedback in lessons, known as live marking, as well as undertaking peer and self-assessment tasks.

Autumn Half-Term 1

Subject	Assessment	Homework
Applied Science	Year 12 suitability test (3 rd Oct)	For BTEC Applied Science (L3) students will be expected to be working on their coursework outside of lessons to ensure that it is of a high enough quality for submission. This takes the place of traditional homework, as the coursework is ongoing throughout the year.
Art	Baseline Tonal drawing	Practical work Research of artists Analysis of work Presentation of sketchbook pages Completing coursework Seeing artwork first hand.
Biology	Year 12 suitability test (3 rd October)	Students will be set one piece of specified homework per week, along with the expectation that students are reading over their class notes and reading around the subject consistently. Where the classes are split between two teachers, it will be agreed between staff who is setting homework each week. Homework will be based around knowledge recall and examination style questions. Students will be given a booklet of tasks to complete for each topic, and this will be assessed through a mixture of self and peer assessment in lesson, as well as teacher assessment.
Chemistry	Year 12 suitability test (3 rd October)	Students will be set one piece of specified homework per week, along with the expectation that students are reading over their class notes and reading around the subject consistently. Where the classes are split between two teachers, it will be agreed between staff who is setting homework each week. Homework will be based around knowledge recall and examination style questions. Students will be given a booklet of tasks to complete for each topic and this will be assessed through a mixture of self and peer assessment in lesson, as well as teacher assessment.

Computer Science	Year 12 – End of Topic Assessment - System software/The Processor/Software Development/Computational Thinking/ Programming techniques	Students are set one piece of homework a week. Students are also expected to complete practical programming tasks and to keep a record log of tasks completed, this is checked by teachers on a fortnightly basis.
Creative Digital Media Production	Year 12 Suitability Tests - 3 rd October	Students are set one piece of homework a week. Students are also expected to complete research, reading and practical tasks and to keep a record log of tasks completed, this is checked by teachers on a fortnightly basis.
Criminology	<u>Unit 1</u> <i>Changing Awareness to Crime</i>	Students are set one piece of homework a week with the greater expectation on reading and absorbing learning as part of our literacy approach. Thereby, students can expect to be challenged on their reading notes from given abstracts and studies in detail.
Dance	W/C 30 th September Group W/C 1 st October ct Solos	Paragraphing Sutra/ Rooster
Design		
Drama	Suitability Test (Baseline Monologue and Written Task).	Reading, Research, Additional Rehearsal, Character Development, Evaluation, Competition of Coursework, Practise Examination Questions
English Literature	Suitability Tests - 3 rd October	Students are set one piece of homework a week via Google Classroom. Students are also expected to read their texts and literacy criticism on a weekly basis. This is assessed in lessons.
Further Maths	Suitability Tests- w/c 03/10/2022	Students will be expected to do one hour of independent learning for every hour in the classroom. This work will consist of practice questions, revision, extra reading and examination questions on topics covered in class. This will be covered through Active Learn and Examination questions supplied to students.
Geography	Baseline suitability assessment	Independent learning tasks Examination questions
Health and Social Care	Unit 1 baseline assessment (2 1/2 weeks into course)	Students are set one piece of homework a week. This is usually an interim deadline contributing to external assessment such as research, report write-up, or presentation making and practice. In the term prior to external assessment there will also be weekly revision and examination practice. Students are also expected to read from the recommend reading lists every week and to complete the reading record log.

History	Paper 1 – Britain transformed assessment	Students are set one piece of homework a week, an essay at the end of each topic area. Students are also expected to read from the recommended reading lists every week and record details of their research
ICT	Year 12 Suitability Tests - 3 rd October	Students are set one piece of homework a week. Students are also expected to complete research, reading and practical tasks and to keep a record log of tasks completed, this is checked by teachers on a fortnightly basis.
Maths	Suitability Tests- w/c 03/10/2022	Students will be expected to do one hour of independent learning for every hour in the classroom. This work will consist of practice questions, revision, extra reading and examination questions on topics covered in class. This will be covered through Active Learn and Examination questions supplied to students
Media Studies	Year 12 suitability tests 3 rd – 7 th October.	Students are set one piece of homework a week. Homework is usually a written response to a question but could involve reading with a summary response or an examination essay answer. When students are completing their NEA project, homework will be to work on this project and submit evidence of completion on Google Classroom. NEA homework will be set, submitted and marked on Google Classroom with a note on Edulink. Written homework is submitted on paper and marked using the Media Studies marking sheet.
Music		Homework will be set weekly and will consist of ongoing internal assessment and practical rehearsal.
Performing Arts	Baseline Monologue All: Begin Unit 2	Reading, Research, Additional Rehearsal, Character Development, Evaluation, Competition of Coursework, Practise Examination Questions.
Philosophy and Ethics	Year 12 Paper 1 – Ancient Influences assessment	Students are set one piece of homework a week. Students are also expected to read from the recommended reading lists every week and to complete the reading record log. This is checked by teachers on a fortnightly basis.
Photography	Practical task	Practical work, research of artists, analysis of work, presentation of sketchbook pages, completing coursework. Seeing artwork first hand.
Physical Education	Baseline test x 1 combined paper Topic 1 - Applied Anatomy and Physiology Mid Unit test. Topic 4 – Sport Psychology Mid Unit test.	One piece of homework will be set every week. This may vary from research tasks, extended reading, presentations (group/individual), coursework submissions, practice examination questions and extended writing tasks.

Physics	Year 12 suitability test (3 rd October)	Students will be set one piece of specified homework per week, along with the expectation that students are reading over their class notes and reading around the subject consistently. Where the classes are split between two teachers, it will be agreed between staff who is setting homework each week. Homework will be based around knowledge recall and examination style questions. Students will be given a booklet of tasks to complete for each topic, and this will be assessed through a mixture of self and peer assessment in lesson, as well as teacher assessment.
Politics	Baseline Assessment	To be set by each teacher at least once a week (CMN one week and JGN the other) These homeworks will include: <ul style="list-style-type: none"> - Academic reading of politics review articles - Books from the A level Politics recommended reading list - Research activities – Good Friday agreement and its impact on the British state, historical conventions of Parliament - Presentation activities - E.G. Devolution and its impact on the UK constitution
Psychology	<u>Paper 1</u> <i>Introductory Topics Psychology</i>	Students are set one piece of homework a week with the greater expectation on reading and absorbing learning as part of our literacy approach. Thereby, students can expect to be challenged on their reading notes from given abstracts and studies in detail.
Sociology	Baseline assessment (2 ½ weeks into course)	Students are set one piece of homework a week.. Students are also expected to research and read news articles relating to their current sociology topic every week and to complete the reading record log.

Autumn Half-Term2

Subject	Assessment	Homework
Applied Science		For BTEC Applied Science (L3) students will be expected to be working on their coursework outside of lessons to ensure that it is of a high enough quality for submission. This takes the place of traditional homework, as the coursework is ongoing throughout the year.
Art	Introduction to advance skills and artist analysis	Drafting essay component, practical work, practical work, research of artists, analysis of work, presentation of sketchbook pages, completing coursework, seeing artwork first hand.
Biology		Students will be set one piece of specified homework per week, along with the expectation that students are reading over their class notes and reading around the subject consistently. Where the classes are split between two teachers, it will be agreed between staff who is setting homework each week. Homework will be based around knowledge recall and examination style questions. Students will be given a booklet of tasks to complete for each topic, and this will be assessed through a mixture of self and peer assessment in lesson, as well as teacher assessment.
Chemistry		Students will be set one piece of specified homework per week, along with the expectation that students are reading over their class notes and reading around the subject consistently.
