

## Subject:

### Exam Physical Education

GCSE PE

BTEC Sport

OCR Sport

## Examination Board:

GCSE PE—AQA

OCR Sports Science—Cambridge National

Level 2 Sport— Pearson Edexcel

**Curriculum Leaders** Mr Fuller and Mrs Funge

GCSE PE	<p>Students will be assessed both practically and theoretically .</p> <p><b>The Active Participant:</b> Controlled Practical Assessment, 40% of the whole course. Assessments from 3 sports, including at least 2 different groups—individual and team. There is also an NEA component (coursework) that is based upon sporting performance.</p> <p><b>Knowledge and Understanding for the Active Participant:</b> 2 written papers—1½ hours, 60% of the course.</p> <p><u>NOTE:</u> There is a common misconception that GCSE PE is not intellectually challenging. The Exam and coursework aspect of this course are now worth 70% of the students final grade. Therefore this course requires students who are not only avid sports individuals but also have an interest in understanding how the body performs within sporting situations.</p>
BTEC Sport	<p>Students will have the opportunity to study four specialised units that are heavily focussed around coursework but also include an online exam and a practical performance. These units include; Health and fitness for well-being, Practical sports performance, Mind and sports performance and the Sports performer in action.</p>
OCR Sport	<p>Students will have the opportunity to study four specialised units. These units will be: Contemporary issues in sport, Developing skills, Sports leadership and Sport and the media.</p> <p><u>Assessment:</u> Students sit a total number of 4 units. Of these units, 1 is assessed externally and 3 are assessed internally, through coursework.</p> <p>Of the external assessments, students will have to; Sit one, 1 hour written paper exam, worth 60 marks. Under new guidelines, students will have the opportunity to re-sit this exam once only.</p>

## Progress into Careers / Sixth Form / Higher Education:

## Study Support / Home Learning

BTEC Sport and OCR Sport all have assignments which will be published to students electronically via Goggle Classroom. This will allow students to access their work whilst in school and at home. Assignments and deadlines will be set at key points throughout the course – as set out by our Assessment Schedule Plan.

GCSE PE will regularly post via Edulink homework, wider reading and coursework which will link and relate to content covered in class.

The PE and Dance facilities at Sandy Secondary School are some of the best in the county. Facilities we have available are: Sports Hall (4 badminton courts); Activities/Dance Studio; 2 Squash Courts; 2<sup>nd</sup> indoor multi-use Activities Area; Fields (3 pitches: 2 Football, 1 Rugby); 2 Netball Courts, 4 Tennis Courts; Astro turf (full size and floodlit). New for 2018, our resurfaced and remodelled Athletics Track.
