

## STUDENT ATTENDANCE

Further to our recent communication in regard to attendance, we are pleased to announce that we are now able to use the original attendance voicemail. We have also been made aware that some parents/guardians have been charged to use the text facility on PS Connect. Please, therefore, refer to the information below when reporting your child's absence from school:

 **Ring:** **01767 680598 extension 243** and leave a voicemail message

 **Email:** **attendance@sandysecondaryschool.com**  
(Please **DO NOT** use parentcontact to report your child absent from school).

 **Email:** Respond to **ANY** of the emails sent from Sandy Secondary School (containing letters, newsletters, information, etc).

 **App:** **MyEd.** The MyED app is available for both Apple iOS and Android devices and can be found using the links below. Unfortunately, it is not currently available for Windows devices. To download: go to your App Store, Search for MyEd, download the Free app.  
Messages sent by parents/guardians using the MyEd app are **FREE**.

 **Text:** You can also text **07624 804702** but please be aware that there may be a charge for this with some mobile providers. You may, therefore, prefer to use one of the above options.

In order to safeguard all students, we do ask that parents/guardians contact us **every single day** a child is absent from school.

Thank you for your support in helping us to ensure all students arrive safely at school every morning, when expected.

**As we are unable to offer medical advice, please follow a link to the guidance, regarding Covid-19 symptoms. Information is also on the next page.**
